SMSD assumes no financial responsibility for any costs incurred by Vendors in developing and submitting a proposal or any amendments or addenda, participating in pre-proposal meetings, participating in any negotiation sessions or discussions, or any other costs incurred by Vendors pursuant to this RFP.

2.4 **Contracts Involving Federal Funds**

Because at the time of procurement, SMSD may be unable to determine the source of funds to be used for particular contracts, SMSD intends to competitively procure contracts as required by Section 44.031 of the Texas Education Code and intends to comply with EDGAR for every procurement action for which federal funds may be used. To comply with EDGAR, if it is anticipated that SMSD will use federal funds exceeding the simplified acquisition threshold, SMSD will perform an independent estimate of the value of goods or services in the current market before receiving bids or proposals and after SMSD received bids and proposals, but before awarding a contract,

SMDS will also conduct a price or cost analysis and document its findings.

2.5 **Compliance with Specifications and Contract**

Proposals shall be deemed responsive if they comply with all material and administrative aspects of this RFP. Vendors are required to respond to all requests identified in this RFP and indicate their acceptance or objection to the terms of the RFP and the Contract terms in **Section 4.0 Contract Terms and Conditions**. Any exceptions to the terms and conditions in the RFP or the Contract must be clearly indicated in the Vendor's submitted proposal. Deviations or exceptions stipulated in a Vendor's response may result in disqualification. Any language to the effect that the Vendor does not consider this RFP to be part of a contractual obligation may result in the Vendor's proposal being disqualified. Each Vendor, by making its proposal, represents that the Vendor has read and understands the RFP and the Contract.

2.6 **SMDS's Code of Silence – Policy CAA (Local)**

SMDS's Board of Trustees has implemented a Code of Silence for procurement of goods and services, as outlined in Board Policy CAA (Local), which provides as follows:

The District shall implement a Code of Silence regarding the procurement of goods and services through competitive methods to enforce its commitment to ethical contracting standards and to improve account-ability and public confidence.

Purpose. For purposes of this policy, “vendor’s representative” shall mean an employee, partner, director, Board member, or officer of a potential vendor or consultant, lobbyist, actual or potential subcontractor of a vendor, or any other individual or for-profit or nonprofit organization acting through or on behalf of any person seeking an award or on behalf of a group of interested individuals or members.

Procurement Methods. In accordance with law [see policies CH and CV], the District may purchase goods and services through one of the following procurement methods:

1. Competitive bidding for goods and services other than construction services;
2. Competitive sealed proposals for goods and services other than construction services;
3. A request for proposals (“RFP”) for goods and services other than construction services;
4. Any method provided by Chapter 2269 of the Texas Government Code for construction services;
5. A request for qualifications for professional services; and
6. Any other procurement method authorized by state law.

For purposes of this policy, “Competitive Solicitation” shall mean any RFP, bid or other competitive solicitation issued pursuant to one of the foregoing procurement methods.

Applicability. The Code of Silence period applies to the acquisition of goods or services using the procurement methods identified above, as well as renewal periods for contracts previously awarded by the Board of Trustees with renewal options.

“*Code of Silence*” shall mean a prohibition on any communication regarding any Competitive Solicitation between:

1. Any person who seeks an award from the District or its affiliated entities (including, but not limited to, the SMSD Education Foundation), including a potential vendor or vendor’s representative; and
2. A Board member, the Superintendent, the Deputy Superintendent, an Executive Team member, or other District representative who has influence on or is participating in the evaluation or selection process.

Furthermore, campaign contributions, gifts, donations, and any other items of value are prohibited between the parties defined above during the Code of Silence period. Also, candidates who have filed for election to the Board of Trustees are subject to these limitations after the date on which the candidate has filed for office. The District shall review historical campaign finance reports to identify campaign contributions for the applicable period and will hold newly elected Board members accountable as existing Board members during the Code of Silence period.

Exceptions. The Code of Silence shall not apply to communication with the District’s legal counsel, Chief Financial Officer, or Director of Operations, to the extent that they are not serving on the particular procurement committee, or with any individual specifically designated to be excepted from the Code of Silence in the Competitive Solicitation; provided that any such communications shall be limited to the purpose of obtaining clarification or information concerning the subject solicitation.

An exception shall also apply to specific members of the Board of Trustees and the office of finance for the selection of external auditors or the Board’s legal counsel, and to any other specific circumstances approved in writing by the Superintendent.

Nothing contained in this policy shall prohibit any potential vendor or vendor’s representative from:

1. Making public representations at scheduled pre-bid conferences or scheduled selection and negotiation committee meetings;
2. Engaging in contract negotiations during any scheduled meeting;
3. Making a public presentation to the Board during any duly noticed public meeting; or

4. Conducting business on contracts previously executed and currently in force.

The potential vendor or vendor's representative shall send all written communication related to the foregoing items 1-4 directly to the Chief Financial Officer.

Nothing in this policy shall prohibit the procurement committee's representative from initiating a contact with a potential vendor or vendor's representative and subsequent communication related thereto for the purpose of obtaining additional clarifying information regarding a response to a Competitive Solicitation. Such contact, and any response thereto, shall be in writing and shall be provided to the members of the applicable procurement committee.

Time Period. The Code of Silence time period shall begin upon the issuance of a Competitive Solicitation. Additionally, the Superintendent or designee may invoke the Code of Silence at any time for any existing or anticipated procurement of goods or services. The authority of the Superintendent or designee to invoke the Code of Silence extends to any procurement method and is not limited to those procurement methods identified in this policy. The Code of Silence time period shall officially end upon execution of the awarded contract by all required parties.

Regardless of the above time period, it is not acceptable for a potential vendor or vendor's representative to participate in determining the scope of work, strategic direction, technical specifications, or evaluation criteria of District projects subject to competitive procurement in a manner that limits fair and open competition or is otherwise prohibited by law.

Notification of Solicitation. The District shall provide public notice of all current procurements that are in the Code of Silence period on a public facing page on the District's website. A weekly e-mail notification containing notice of all procurements that have entered the Code of Silence period since the last e-mail shall also be sent by the Chief Financial Officer to the Board of Trustees, the Superintendent, the Deputy Superintendent, senior staff members, department heads, directors, managers, or other District representatives who have influence on or are participating in the evaluation or selection process for each Competitive Solicitation. The weekly e-mail notification is provided as a courtesy. Board members, candidates who have filed for election to the Board, and District employees are responsible for regularly reviewing the list of procurements subject to the Code of Silence maintained on the District's website before any interaction with a potential vendor.

Violation. Any suspected violation of this policy shall be investigated by the Chief Financial Officer or an outside law firm and may result in any of the following being deemed void or voidable:

1. Any recommendation for award;

2. Any Competitive Solicitation award;
3. Any bid award to the potential vendor or the vendor's representative; or
4. A vendor's contract.

The potential vendor or vendor's representative determined by the Board of Trustees to have violated this policy shall be subject to debarment from bidding and contracting activities of current and future projects for a period up to two calendar years. In addition to any other penalty provided by law, violation of this policy by a District employee may subject the employee to disciplinary action up to and including termination. Board members and candidates who have filed for election to the Board determined by the Board of Trustees to have violated the Code of Silence or received campaign contributions, gifts, donations, or any other items of value prohibited under this policy, shall abstain from voting on all matters relating to the particular vendor with whom the Board member engaged in a violation of the Code of Silence for a period up to two calendar years and may be subject to additional action as deemed appropriate by the Board of Trustees.

In the event that a Board member or candidate unknowingly accepts a campaign contribution, gift, donation, or any other item of value from a vendor representative during the Code of Silence, the Board member or candidate shall have the duty to return the contribution, gift, donation, or other item of value within ten calendar days after becoming aware of the conflict with this policy.

Formal Complaints. This policy is not intended to prohibit contractors or their representatives from issuing formal complaints or concerns about potential conflicts of interest during the Code of Silence. Any such complaints or concerns should be communicated in writing to the Chief Financial Officer.

3.0 EVALUATION AND AWARD

3.1 Award of Contract

In accordance with applicable laws, rules, and regulations for public procurement, award(s) will be made to the responsible Vendor(s) whose proposal(s) is/are determined after evaluation by SMSD to be the best value to SMSD. To qualify for evaluation, a proposal must have been submitted on time and must materially satisfy all mandatory requirements identified in this document.

3.2 Market Basket Survey

SMSD reserves the right, in its sole discretion, to use a "Market Basket Analysis" method. If federal Child Nutrition funds are used, the market basket analysis sample will be established to represent 75% of the total estimated value of the contract to be awarded. The most recent velocity/sales report for our current supplier(s) will be used to project the balance of the year and adjusted for any estimated change in menu and participation for the following year. As a result, this list of goods to be purchased under this solicitation will include the goods purchased by dollar volume representing the 75% threshold. Prices for the remaining goods listed in the solicitation should also be included, though they will not be part of the market basket analysis. The market basket analysis shall not be used for service or equipment contracts, nor for Fee-For-Service Processing contracts.

3.3 Competitive Range

It may be necessary for SMSD to establish a competitive range of acceptable proposals as part of the evaluation process. Proposals not in the competitive range are unacceptable and will not receive further award consideration.

3.4 Conflict of Interest – EDGAR

In accordance with federal EDGAR requirements, 2 CFR § 318(c)(1), no employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

The officers, employees, and agents of SMSD may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

Violations of this standard by an employee will be reported to the Superintendent's Office and addressed through SMSD's personnel policies. Violations of this standard by an officer or the Superintendent shall be addressed to the Board President and addressed through SMSD Board policies.

3.5 Deviations and Exceptions to Requirements

Deviations or exceptions stipulated in a Vendor's response may result in disqualification. Any language to the effect that the Vendor does not consider this RFP to be part of a contractual obligation may result in the Vendor's proposal being disqualified.

3.6 Clarification and/or Discussions

SMSD may request clarification from Vendor(s) for the purpose of eliminating minor errors, clerical errors, and/or non-substantive irregularities. Clarification does not give a Vendor the opportunity to revise, change, or modify its proposal in any way except to the extent of

correction of the error. Discussion between SMSD and Vendor can also take place after the initial receipt of proposals. SMSD reserves the right to conduct discussions with all, some, or none of the Vendor submitting proposals. SMSD will not assist the Vendor in the revision or modification of its proposal, nor will SMSD assist the Vendor in bringing its proposal to the same level of other proposals received by SMSD.

Questions related to the RFP can be directed to SMSD Business Office, Chalita Cyprian, Purchasing Specialist, (281) 261-9252 no later than five (5) business days prior to the submittal deadline date. All questions and answers will be listed online in the form of an addendum.

3.7 No Guarantee of Quantities

SMSD makes no guarantee or commitment of any kind concerning quantities that will actually be purchased under this RFP and the resulting contract, if any. However, Vendors are expected to carry sufficient inventories to service the needs of SMSD and shall furnish all required goods and/or services to the District at the stated price, when and if required. The District makes every effort to be as accurate as possible when providing estimated quantities; however, quantities for purchases paid for with Child Nutrition funds are subject to change for various reasons, which include, but are not limited to the following: USDA commodity allocation(s), variations in student population, SMSD production item substitution(s), changes in consumer taste or expectations, pricing, and nutrition regulatory changes.

3.8 SMSD's Supplier Diversity Program / Minority and Women's Business Enterprise (MWBE), Historically Under-utilized Business (HUB) and Small Business Enterprise (SBE) Participation

SMSD's Supplier Diversity Program

SMSD's supplier diversity program ensures that the District shall use its best efforts to inform small, women-owned, and minority-owned businesses of current and future purchasing activities. Pursuant to SMSD Board Policy CH (Local), the District shall encourage the participation of these businesses in purchasing of all goods and services. All solicitations issued by the District shall include a supplier diversity program form that is to be completed and submitted with the bid response. The form is included in Section 9.0 Attachments.

SMSD's MWBE, HUB, and SBE Participation

In addition to SMSD's Supplier Diversity Program, SMSD encourages the use of HUB, MWBE, and SBE both as prime and subcontractors. However, these entities must meet the same minimum standards and requirements as the prime contractor. It will be the responsibility of the prime contractor to pre-qualify any subcontractors offered as HUB, MWBE and SBE participants. The Vendor shall also indicate on their submitted proposals whether or not they are a HUB, MWBE, or SBE vendor and with whom they are certified, e.g., State, City, Federal, and provide a copy of the certificate(s) in the proposal submission.

SMSD takes all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible, including, but not limited to, placing qualified small and minority businesses and women's business enterprises on solicitation lists; assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and requiring the prime contractor, if subcontractors are to be let, to take the same steps as listed in this paragraph.

3.9 **Formation of Contract (Execution of Offer)**

A response to this RFP is an offer to contract with SMSD based upon the terms, conditions, scope of work, and specifications contained in this RFP. An RFP does not become a contract unless and until it is accepted by SMSD after approval by the SMSD Board of Trustees. A contract is formed when SMSD's Superintendent signs the Signature Form. The Vendor must submit a signed Signature Form, thus eliminating the need for the formal signing of a separate contract.

3.10 **Multiple Awards**

SMSD reserves the right to award contracts to multiple vendors. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with SMSD. SMSD may make multiple awards; this fact should be taken into consideration by each Vendor.

3.11 **Non-Exclusive Contract**

Any contract resulting from this RFP is non-exclusive and shall be awarded with the understanding and Contract that it is for the sole convenience of SMSD. SMSD is free to have multiple contracts for the awarded products and/or services and may initiate other procurement solicitations or procurement activity with other suppliers at any time, at SMSD's sole discretion.

3.12 **Disqualification**

A Vendor may be disqualified before or after the proposals are opened upon evidence of collusion with the intent to defraud or evidence of intent to perform other illegal activities for the purpose of obtaining an unfair competitive advantage. A Vendor may also be disqualified before or after the proposals are opened in the event Vendor is out of compliance with an existing contract with SMSD.

3.13 **Environmental Initiatives**

SMSD is committed to reducing waste and promoting energy conservation. Toward that end, Vendors responding to this solicitation are encouraged to provide their company's environmental policy and green initiative.

3.14 **Interpretation**

This solicitation represents the basis for any award and supersedes all prior offers, negotiations, exceptions and understandings (whether orally or in writing). Submitted proposals should be self-explanatory and should not require any clarification or additional information.

3.15 **Return of Proposals**

Vendors may request the return of a proposal within five (5) business days of the proposal deadline. After that time, SMSD will not return proposals to Vendor. Vendors should be aware that the District will retain a copy of all materials submitted, and the information will remain subject to the Texas Public Information Act.

3.16 **Non-Collusion Statement**

Vendors are required to certify a **Non-Collusion Statement**. (See **Section 9.0 Attachments**) Vendors are required to state the party submitting a proposal or bid, that such proposal or bid is genuine and not collusive or sham; that Vendor has not colluded, conspired, connived or agreed, directly or indirectly, with an entity or person, to put in a sham proposal or bid or to refrain from proposing, and has not in any manner, directly or indirectly, sought by Contract or collusion, or communication or conference, with any person, to fix the proposed price or of any other vendor, or to fix any overhead, profit or cost element of said proposed price, or of that of any other vendor, or to secure any advantage against SMSD or any person interested in the proposed contract, and that all statements in said proposal are true.

3.17 **Open Records Policy**

SMSD is a governmental body subject to the Texas Public Information Act. Proposals submitted to SMSD as a result of this RFP may be subject to release as public information after contracts are executed or the procurement is terminated. If a Vendor believes that its response, or parts of its response, may be exempted from disclosure under Texas law, the Vendor must specify page-by-page and line-by-line the parts of the response which it believes are exempt. In addition, the Vendor must specify which exception(s) to the Texas Public Information Act are applicable and provide detailed reasons to substantiate the exception(s). Vague or general claims to confidentiality will not be accepted. SMSD assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Vendors.

3.18 **Preferences**

SMSD may apply applicable preferences for Texas resident Vendors in the event of a tie bid. Preferences must be explicitly claimed by Vendor and may not be applicable in procurements and/or contracts involving federal funds unless the procurement and/or contract involves unprocessed locally grown or locally raised agricultural products for use by SMSD in a Child Nutrition Program. See TEXAS GOV'T. CODE §2252.001-.004; 2 C.F.R. § 200.319.

3.19 **Responsible Vendor**

SMSD may only award contracts to Responsible Vendor(s) who possess the ability to perform successfully under the terms and conditions of a proposed procurement contract. A Responsible Vendor is a vendor who has adequate financial resources (or the ability to obtain such resources), can comply with the delivery requirements, and is a qualified and established firm regularly engaged in the type of business that provides the items listed herein. When determining if a vendor is responsible, SMSD will consider the proposer's integrity, compliance with public policy, record of past performance, and financial and technical resources.

3.20 **Responsive Proposal**

Proposals shall be deemed responsive if they comply with all material and administrative aspects of this RFP.

3.21 **Similar Products or Materials**

Whenever product(s) and/or material(s) are referred by SMSD in this solicitation by describing a proprietary product or by using the name of a manufacturer or brand name, the term "or equal" if not inserted shall be implied, as applicable. The specified product(s) and/or material(s) shall be understood as indicating type, function, minimum standard of design, efficiency and quality desired and shall not be construed as to exclude other manufactured products or comparable quality, design and efficiency, as applicable.

3.22 **Material Changes**

In the event federal child nutrition funds are used, if a material change (as that term is defined by TDA rules and regulations) to a contract entered into between SMSD and Vendor occurs, then the contract will not be renewed upon the conclusion of its term. Upon the expiration of the term, SMSD may issue a new procurement solicitation for the goods or services procured under the previously-existing contract. "Material change" for purposes of this Section 3.22 means a modification that substantially exceeds the terms of the original contract between AISD and Vendor.

3.23 **Product Recall**

If a product recall is instituted on an item that has been furnished and delivered to SMSD, Vendor must immediately notify the individual who signed the Purchase Order and SMSD's Chief Financial Officer at dnorman@staffordmsd.org with all pertinent information regarding the recall.

3.24 Appeal/Protest Process

Any Vendor who submitted a proposal may appeal SMSD's award, if the appeal is based on deviations from laws, rules, regulations, or SMSD Board policies. SMSD Board Policy GF (Local) applies to any Vendor wishing to appeal a proposal and/or award of a contract. In accordance with Policy GF (Local), a Vendor shall submit a complaint/appeal form by hand-delivery, fax, or U.S. mail, to SMSD's Chief Financial Officer. Complaints/appeals must be received by the close of business on or before the 15th SMSD business day after award of the contract. In the event Vendor is unsure about the award of the contract, it is the Vendor's responsibility to contact the SMSD Business Office on the next business day after the award is announced and verify details concerning the award.

3.25 Evaluation of Proposals

SMSD will base a recommendation for contract award on the following factors:

Vendors are responsible for identifying any exceptions to these terms and conditions. **ANY EXCEPTIONS MUST BE NOTED DIRECTLY BELOW EACH OF THE RESPECTIVE TERMS AND CONDITIONS.** Proposals that are qualified with conditional clauses, items not called for, or other irregularities may be considered non-responsive by SMSD and eliminated from further consideration.

No pre-published terms on Vendor's Purchase Order, acknowledgments, invoices, or other forms shall have any force or effect unless expressly agreed to by SMSD and Vendor. No amendment of this Contract shall be permitted unless and until first approved in writing by SMSD, and no such amendment shall have any effect unless and until a written amendment to this Contract is executed by the SMSD Superintendent or his designee after any necessary approvals have been obtained from the SMSD Board of Trustees. In the event that a Vendor has an existing SMSD contract in the same contract title, upon award the new contract will immediately supersede the older contract.
- 4.3 **Term of Contract; Renewal of Contract**
The initial term of this Contract is for a period of one (1) year, from **September 1, 2021 to August 31, 2022**, with SMSD having the option to renew the Contract for two (2) additional one-year terms, at SMSD's sole discretion, unless otherwise specified in **Section 5.0 Scope of Proposal**. Consequently, the total term of the Contract may be for a period of **three (3)** years. The phrase "Term" in this Contract shall mean the then-current Term of the Contract, whether an initial term or a renewal term.
- 4.4 **Termination of Contract; Survival**
This Contract shall remain in effect until (1) the Contract expires by its terms or (2) the Contract is terminated by mutual consent of SMSD and Vendor.

In the event of a breach or default of the Contract and/or the RFP by Vendor, SMSD reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of SMSD. SMSD further reserves the right to terminate the Contract immediately in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the RFP, this Contract, and/or a Purchase Order; (2) make any payments owed; or (3) otherwise perform in accordance with this Contract and/or

the RFP. SMSD also reserves the right to terminate the Contract immediately, with written notice to Vendor, if SMSD believes, in its sole discretion that it is in the best interest of SMSD to do so.

In the event that a material change to the terms of the Contract occurs, then the Contract shall be allowed to expire and shall not be renewed upon the conclusion of the Contract's term. The phrase "material change" in this paragraph shall mean a modification that substantially exceeds the terms of the original contract between SMSD and Vendor. Upon the expiration of the Contract's term, SMSD may issue a new RFP for the goods or services procured under the previous contract.

Vendor agrees that SMSD shall not be liable for damages in the event that SMSD declares Vendor to be in default or breach of this Contract and/or the RFP. Vendor further agrees that upon termination of the Contract for any reason, Vendor shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Vendor.

4.5 **Buy America Act; Prevailing Wage Rates**

Buy America

The Buy American Act, set forth in 7 C.F.R. Part 210.21(d), requires that participants in the National School Lunch Program and the School Breakfast Program use the federal nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products. 7 C.F.R. Part 210.21(d) defines a "domestic commodity or product" as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. "Substantially" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

If applicable, SMSD requires Vendor to certify whether its products are "domestic commodities or products", as defined by 7 C.F.R. Part 210.21(d). Accordingly, Vendor agrees to provide certification of the domestic content of the parts, components, and other elements contained in the product, including specific information about the percentage of U.S. content from the supplier (i.e., manufacturer or distributor).

Exceptions to the Buy American provision should be used as a last resort; however, an alternative or exception may be approved by SMSD, upon request. To be considered for an exception to the Buy American provision, Vendor must submit a good faith request for an exception, certifying that the Vendor reasonably believes that:

- a) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality; and/or
- b) the costs of a U.S. product are significantly higher than the non-domestic product.

In the event Vendor or Vendor's supplier(s) are unable or unwilling to certify compliance with the Buy American Provision, or the applicability of an exception to the Buy American provision, SMSD may decide not to purchase from Vendor.

Additionally, SMSD may require country of origin on all products and invoices submitted for payment by Vendor, and Vendor agrees to comply with any such requirements.

Prevailing Wage Rates

Vendor and all subcontractors of Vendor shall comply with all laws regarding prevailing wage rates, including, but not limited to, TEX. GOV'T. CODE Chapter 2258, applicable to the construction of a public work, and any related federal requirements, including the DAVIS-BACON ACT. In the event TEX. GOV'T. CODE Chapter 2258 applies to a product or service provided by Vendor to SMSD, Vendor and any subcontractor(s) shall comply with the prevailing wage rates set by SMSD.

4.6 **Change Orders**

Pursuant to TEX. EDUC. CODE § 44.0411(a), if a change in plans or specifications is necessary after the performance of a Purchase Order has begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, SMSD may approve change orders making the changes. The total Purchase Order price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants. A Purchase Order with an original contract price of \$1 million or more may not be increased under TEX. EDUC. CODE § 44.0411(a) by more than 25 percent. If a change order for a Purchase Order with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

4.7 **Compliance with Laws**

Vendor shall comply with all applicable federal, state, and local laws, statutes, ordinances, standards, orders, rules, and regulations, including, as applicable, workers' compensation laws; minimum and maximum salary and wage statutes and regulations; prompt payment and licensing laws and regulations; anti-discrimination statutes and regulations (Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 C.F.R. For the entire duration of this Contract, Vendor and all subcontractors shall also comply with all requirements pertaining to local, state, or federal health and safety certifications, licensing, or regulations. Vendor must comply with all state and local building code requirements unless otherwise specifically provided in SMSD's Purchase Order, and Vendor must pay all fees and charges for connections to outside services and for use of property outside the project site. Vendor is responsible for being acquainted with and complying with Texas's requirements. When required or requested by SMSD, Vendor shall furnish SMSD with satisfactory proof of Vendor's compliance with this provision.

Vendor, or SMSD and any of Vendor's agents. Vendor has no power or authority to assume or create any obligation or responsibility on behalf of SMSD, and SMSD has no power or authority to assume or create any obligation or responsibility on behalf of Vendor. This Contract shall not be construed to create or imply any partnership, agency, or joint venture, nor shall it be construed or deemed an endorsement of a specific company or product. Vendor agrees that SMSD has no responsibility for any conduct of any of Vendor's employees, agents, representatives, contractors, or subcontractors.

4.38 Equal Opportunity

It is the policy of SMSD not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Vendor agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

4.39 Force Majeure

Neither SMSD nor Vendor shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond SMSD or Vendor's control.

SMSD and Vendor are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other parties in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Contract has not been terminated. Delay or failure of performance, by either party to this Contract, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. SMSD and Vendor shall not have any claim for damages against any other party resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Contract, in the event the Vendor's performance of its obligations under this Contract is delayed or stopped by a force majeure event, SMSD shall have the option to terminate this Contract. This section shall not be interpreted as to limit or otherwise modify any of SMSD's contractual, legal, or equitable rights.

4.40 Severability

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

4.41 Waiver

No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver,

alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

4.42 Entire Agreement

The Contract, the RFP, Vendor's proposal submitted in response to the RFP, the attached and incorporated attachments, addendum, and/or exhibits, if any, contain the entire agreement of the parties relative to the purpose(s) of the Contract and supersede any other representations, agreements, arrangements, negotiations, or understandings, oral or written, between the parties to this Contract. In the event of a conflict between this Contract and the RFP or Vendor's proposal submitted in response to the RFP, this Contract shall control. In the event of a conflict between the RFP and Vendor's proposal submitted in response to the RFP, the RFP shall control. This Contract supersedes any conflicting terms and conditions on any Purchase Order, invoices, checks, order acknowledgements, forms, purchase orders, or similar commercial documents relating hereto and which may be issued by Vendor after the Effective Date of this Contract.

4.43 Interpretation

Vendor agrees that the normal rules of construction that requires that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.

4.44 Notice

Any notice provided under the terms of this Contract by the parties to any other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed to the party at the address listed in the signature line of this Contract. Notice shall be deemed effective upon receipt. Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party by certified mail, return receipt requested.

The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

4.46 Use by other governmental entities.

Tex. Educ. Code Section 44.031(a)(4) and Tex. Gov't Code Ch. 791 allow for government entities, i.e. state agencies, local governments and school districts, to enter into cooperative agreements to allow the procurement process to be performed by a single entity on behalf of all those electing to participate. SMSD may allow other governmental entities to "piggyback" onto any existing contract between SMSD and Vendor entered into pursuant to this RFP, as contemplated in United States Department of Agriculture Memorandum SP35-2012, Procuring Services of Purchasing Cooperatives, Group Purchasing Organizations, Group Buying Organizations, etc., June 12, 2012 ("SP 35-2012"). Should the "piggybacking" result in a material change to the Contract, SMSD will proceed under Section 5.45 of this RFP. Accordingly, other governmental entities are authorized to enter into separate and independent contracts with Vendor that employ the same negotiated terms and conditions contained in an existing contract(s) between SMSD and Vendor. In the event SMSD allows another governmental entity to join, it is expressly understood that SMSD shall in no way be liable for the obligations of the joining governmental entity.

5.0 SCOPE OF PROPOSAL

- 5.1 It is the intention of SMSD to establish one or more contracts to furnish and/or deliver **General, Office and Printing Supplies**.
- 5.2 Vendors are encouraged to offer any applicable terms and conditions should be included for any additional product or service. SMSD reserves the right to accept or reject any items included by Vendor in this section.
- 5.2 Awards will be made to the successful Vendor(s) for the total line of products and services submitted. Proposals can be made for any or all services and products described herein. The terms and conditions listed below apply to all categories and lots within the **General, Office and Printing Supplies**. Each category and lot contain additional terms, conditions, and specifications. If there is a conflict between category or lot terms and conditions and those listed below, the category or lot terms and conditions shall take precedence.
- 5.3 **Vendor is required to ensure that the Purchase Order includes the following, as applicable:**

SMSD retains the right to extend the schedule of work/delivery time or to suspend the work and to direct the Vendor to resume work when appropriate. Vendor and SMSD must agree on the definition of what constitutes final acceptance before payment of any retained compensation.
- 5.4 **For each Purchase Order, the following shall apply:**
- After the Purchase Order is signed, a copy of the Purchase Order shall be sent to SMSD's Business Office.

 - No work shall be performed until a written Purchase Order has been signed by the Vendor and SMSD. Any work performed under a Purchase Order before the Vendor's receipt of the written Purchase Order is at the Vendor's risk.
 - The Vendor is required to perform all work under a Purchase Order which has been issued and received before the expiration date of this Contract. If the Purchase Order is not

received by the Vendor before the expiration date of this Contract, the Purchase Order will be considered cancelled. Purchase Orders sent in the last 30 days of a Term should be sent "Return Receipt Requested". Any Purchase Order issued during the Term of the Contract and not completed before the expiration date of the Contract must be completed within the completion/delivery time stated in the Purchase Order, and the rights and obligations of the Vendor and SMSD with respect to the Purchase Order will be the same as if the Purchase Order were completed during the Term of the Contract.

- The Vendor may not refuse to perform any project requested by SMSD unless such project is unlawful.

Background: Texas Education Code Chapter 22 requires entities that contract with school districts to obtain **criminal history records on covered employees**. Covered employees **with disqualifying criminal histories are prohibited from serving at a school district**. Definitions:

SB 9 Contractor Certification: Subcontractor
(As applicable)

Background: Texas Education Code Chapter 22 requires entities that contract with school district contractors to obtain criminal history records regarding covered employees. Covered employees with disqualifying criminal histories are prohibited from serving at a school district. Subcontractors must certify to SMSD and to the contractor that they have complied. The law requires each subcontractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety's Crime Records Service at 512.424.2474.
